Action Fraud report NFRC170301793603.

Lancashire Constabulary Headquarters Saunders Lane

Hutton Preston PR4 5SM **date 02.08.2017**

Dear Sir... whilst still awaiting email contact from you, **OUR 2nd RESPONSE**

1. **2nd demand** for a **subject access request** on the audit of paper trail and ie who is your superior officer that you refer?? AND are you or he/she members of any MASONIC LODGE
2. You reference to 'criminal' complaints in inverted commas like there has been nothing criminal taken place... I would like to see you in our shoes and try to get to grips with that statement yourself. Such as it is why did the fraud office identify FRAUD?
3. You also like others defer such matters to a solicitor whom are at the **centre of our allegations** of fraud alongside the **criminal** BAR association inclusive of Judges etc. Making clear without such legal representation the case is closed!!!! **PROTECTING MASONIC /BAR RACKETEERING.**
4. DC 2082 I take it, stands for 'detective' constable.. if so.. then why is it that an investigative 'detective' cannot ascertain from the outset, from the submissions made that the **living beings** requiring lawful assistance are not resident in the UK address of 31 Cherry Tree Rd BLACKPOOL where it would be pointless communicating by letter to there, causing additional delays and frustrations or was that intentional on your part? YOU WERE SUPPLIED OUR **EMAIL ADDRESS WHERE U NOT?** I assume your powers of detection, knowing you hold a warrant for my arrest must have realised writing to that address would not find us too easily???? **SO WHY DO IT???**
5. Are you saying that a JUDGE committing a fraud upon the court by **Judging in his own cause** is a civil matter and not criminal and so can conduct such a crime under the color of law as a civil matter ruining 2 peoples lives on route, **LEAVING an arrest warrant LIVE on the system.**
6. I object profusely to your dismissal letter which is an insult and I would demand lawfully you enter into open and honest email dialogue to route out the enemy within the frauds being **condoned by the POLICE** or so it appears! mike@rake.net – www.opg.me – 07763906847
7. Before I issue a writ of mandamus compelling you to do your public duty lawfully I again re-iterate there has been FRAUD, THEFT, MALADMINISTRATION leading to INTERNATIONAL PERSECUTION, that remedy lies not within legal advice ie a solicitor but by lawful investigation demanded here! Is **PERSONAGE & BARRATRY also CRIMINAL** I man, demand answers.
8. YOUR wilful misfeasance demonstrated in your letter has not gained anything but **contempt** and one would suggest you take a more **investigative** role to complete the task at hand before being tarred and feathered with the same masonic brush that runs through your establishment! **STILL AWAITING email contact... here..**
