Dear Susan:

ref: recent email and letter exchanges

So far you have managed to deflect all correspondence to others that are making a mockery of matters to hand, all documented by date and published accordingly on our website listed above, proving your inability to address the issues & crimes you are accused of.

The current exchanges has been passed from pillar to post and each time new people respond, for example I have been responded to by an A HARRISON, S WILTON and CHRISTINE WORSLEY.

Not one of these people did I ever address my exchanges to, on subjects that they have incorporated in their replies, infact they were all marked for **your personal private sole attention**.

Not one of these persons either has addressed my complaint of the crimes being committed within your HM courts & tribunals service.

1. NEMO JUDEX SUA CAUSA – Judging in their own cause. An unlawful BIAS
2. No fees paid at case start. No FEE paid – NO CASE. A FRAUD Ab initio [from the beginning]
3. The CRIMINAL practice of PERSONAGE/BARRATRY condoned by Judiciary LEGAL NAME FRAUD

You now have 7 days to respond to the matters served upon you that are finalised within this notice and the attached constructive notice, adding all others before, I will file upon you a claim personally.

EXPECTED service of this notice FRIDAY 27th OCTOBER 2017 – expiring FRIDAY 2nd November 2017

Attached FEE VOID Notice still not dealt with or processed.
